SUPPLEMENTARY INFORMATION: The FAA is reviewing an update to the Mobile Downtown Airport layout plan submitted by the Mobile Airport Authority. The location of the land relative to existing or anticipated aircraft noise contours greater than 65ldn are not

considered to be an issue. The proceeds from the lease of this property will be used for airport purposes. The proposed use of this property is compatible with airport operations.

In addition, any person may, upon request, inspect the request, notice and other documents germane to the request in person at the Mobile Downtown Airport.
